

► Neighborhood schools

Students are guaranteed attendance at the neighborhood school in their attendance area. All of the district's neighborhood schools offer rigorous academic programs and unique opportunities for student learning. During open enrollment, the list of schools with space available that are open for in-district transfer or variance requests will be published on the district website.

► Choice schools

Choice schools are open to all students in the district. All of the district's choice schools offer rigorous academic programs and unique opportunities for student learning. Students must apply to be considered for enrollment in the school. Each choice school uses the district's common application. These schools are small by design so there are enrollment limits. A lottery and wait-list system is used to place students when applications exceed available space.

As part of the application and lottery process, **attendance at the choice school's information night is highly recommended.** Applications will be available on the district and choice school websites.

2017-18 Choice School Application & Registration Timeline:

December 12, 2016 - Application available online

January 20, 2017 - Applications due by 4 p.m.

February 1, 2017 - Lottery held at district

February 6, 2017 - Notification letters mailed

February 22, 2017 - Acceptance deadline

Choice School Transportation

Parents/guardians of students who attend choice schools must arrange their own transportation. In some cases, the district offers bus transportation. Contact the choice school you are interested in for more information about transportation or the application process.

Planning ahead for 2017-18

High Schools in LWSD

Highlighting choice schools and neighborhood schools for incoming ninth through 12th graders

As parents of eighth graders, you should be aware of the choice schools and neighborhood high schools that exist in Lake Washington School District.

While all students in Lake Washington School District are guaranteed attendance at the neighborhood school within their attendance area, families may also consider applying to one of the district's choice schools, whose enrollments are lottery-based. Families may also consider applying for a change to their neighborhood school assignment, also known as an in-district transfer or variance.

This brochure highlights the various choice schools and neighborhood schools available to students across the district.

The district's elementary schools serve students in kindergarten through fifth grade. Middle schools serve students in sixth through eighth grade. High schools serve students in ninth through 12th grade.

Choice Schools & Other High School Options

Please Note: The following choice schools and programs have application procedures. The application timeline is listed on the front and back pages of this brochure. Visit individual school websites or contact the schools directly for more information.

<p>Cambridge Program at Juanita High School</p> <p>10601 N.E. 132nd St. Kirkland, WA 98034 425-936-1600 www.lwsd.org/school/jhs/academics</p> <p>Principal: Gary Moed</p> <p><i>Note: Applications due 1/20/17</i></p>	<p>Incoming Freshman Information Night: January 11, 2017 (for students and parents) 7-8:30 p.m., Juanita High School Auditorium</p> <ul style="list-style-type: none"> • Rigorous academic curriculum and assessment program administered by the University of Cambridge in England, with an emphasis on development of higher-order thinking skills, problem solving, investigative and research skills • Teachers collaborate with international experts; students make global connections • Examinations in mathematics & sciences, languages, arts & humanities, and global perspectives lead toward the globally recognized Advanced International Certificate of Education (formerly British A Level examinations) • Program provides a rich, collaborative environment in which scholarship is the norm, with a focus on transition to competitive post-secondary institutions • Follows district choice school application, lottery & registration timeline (see front or back page)
