If your child attends a private school or is a home-schooled student, please be sure to register at the Quest Enrichment Pull-out school before the start of the school year. This will ensure that the school has your emergency contact information.

Other Information

If you are interested in applying to the Quest Full Time Program for the 2012-2013 school year, you will need to complete an application and participate in the identification process. Applications will be available in early October, 2011. Continuation in the Enrichment Pull-Out Program does not require another application.

After school starts, please address classroom issues with the teacher, building issues with the Principal, and testing, placement, and other program issues with the Quest office. As Director of Accelerated Programs and CTE, I will also be supervising the program. Additionally, Sandy Malone-Long, the Quest Psychologist, will be working in the Quest Office Mondays through Fridays.
