## Fall Updates

This is the time of year when we often reflect on what we're thankful for. I can say wholeheartedly, that the LWSD staff is so very thankful for you and the support you provide in their classrooms and to their students!

The school year is off to a great start because of your generosity, commitment, and the desire to help our students grow academically and socially.

Fall bring autumn colors and falling leaves. It has also brought 34 **new** LINKS volunteer! We have 63 LINKS volunteers helping in 22 schools. Because of our caring and committed educators, we have 64 referrals from schools **waiting** for mentors and academic tutors.

If you know someone who would like to share their time and benefit from the personal rewards associated with volunteering, please have them contact LINKS!

***Referrals are one of the best gifts you can give.***
