

# AVID TUTORS NEEDED

**Facilitate a small group of students once or twice a week. Training is provided.**

AVID is a structured college preparatory system that provides direct support for first-generation college-goers. AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society.

## AVID elective students learn:

- Writing skills
- Inquiry processes
- Collaboration techniques
- Organization tools
- Critical reading skills
