Individual Plan for Growth - Specialists

Name:

Specialist Field:

A. Create a plan for growth:

Using the self assessed skills inventory as a guide in determining both my strengths and areas for improvement, my plan for completing [IT]² and thereby demonstrating the use of instructional technology tools for delivery of service with students is:

Evidence of Accomplishment: Demonstrate the use of instructional technology tools for delivery of service with students	Have I used this tool with students?	Have I demonstrated the use of technology as stated in my plan?
Lesson/Presentation:	<input type="checkbox"/> Yes	<input type="checkbox"/> Yes
Area of Focus:	<input type="checkbox"/> No	<input type="checkbox"/> No

B. Sharing with a facilitator

- What to expect at the sharing session:

- Share your Individual Growth Plan.
- Share your lesson/presentation with the facilitator and explain how it was used with your students.

Signature of facilitator – participant does **not** sign

Date

***Please **print** and bring **two copies** of this document to your sharing session. You keep one *signed* copy for your records. The facilitator keeps one *signed* copy for the district.
