

Dear Students, Parents, and Guardians,

On Friday October 5th, I will be starting AG Bell Choir rehearsals again for the 2008-2009 school year. Choir will end after our final performance February 12th, followed by a party on Feb. 13th. There will be a three week choir session in May/June for all students and interested 3rd graders for the following year. Rehearsals will be held during lunch-recess (12:00-12:30) on Fridays. Students are expected to be present for the entire rehearsal. A copy of choir guidelines, including dates of known performances will be handed out at the first rehearsal.

My goals for this year will be:

- Regular weekly rehearsal.
- The learning of and mastering of quality, age-appropriate literature and choral skills.
- Organizing school and community performances (one evening performance Jan. 15th, and one evening performance Feb. 12th. Other engagements are in-school assemblies.
- Fostering of a student community and of a musical community.

Let us work together to make this a great year for choir. If you have any questions, please contact me via e-mail at aschmidt@lwsd.org, or through the school at (425) 822-7450 ext.144

Thank you! I am looking forward to a great season!
