Jefferson's Monticello

*Total fee for two siblings is \$270, for three is \$375 - 50% off does not apply to materials.

** Low income discount available for qualified families.

In this session we will explore man-made structures around the world. These are landmarks in architecture, culture and art. We will start with Jefferson's Monticello, an American landmark. We will draw and paint the Red Square, Golden Temple of India, Great Wall of China and the Blue Mosque of Istanbul. In sculpture we will make Easter Island Moai and more as time will allow.

We will integrate one point perspective and disappearing points. We will capture reflections, sky and clouds, water, sunset, shades, and light. We will use pencils, charcoals, soft pastels, oil pastels, watercolor, acrylic on canvas, and 3D sculpture from clay.
