Stopping By Woods on a Snowy Evening

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.

The woods are lovely, dark and deep.
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

-Robert Frost, 1923

The holidays can be an exciting and busy time, full of engagements, events, and other "promises to keep." Just remember that it is just as important to take some time during this holiday break to stop and enjoy some quality downtime with your family, just watching the woods fill up with snow and listening to the sweep of easy wind and downy flake.

Have a wonderful holiday, and we look forward to students returning refreshed and ready for a happy new year when school resumes on Tuesday, January 3rd.

Frost Start Time: 8:45

The playground is open and supervised at 8:45 each morning. Please be sure that students do not arrive before 8:45, as there is no playground supervision available before that time. Students arriving early for breakfast may arrive at 8:30 for the breakfast service, but may not be on the playground until 8:45. The first bell for class rings at 8:55.

We still have some students arriving too early, so please send your students at the appropriate time so we can provide proper supervision. Thanks.

Sincerely,
Mr. Brenner

From Maddy Thomas – Student Council Vice-President Interview with Mrs. Marshall

“Last week I interviewed Mrs. Marshall. Mrs. Marshall has worked at Robert Frost for 6 years as our school counselor. You can come to her if you have problems with friends, family or if someone’s bullying you. You name it, come to her. She runs many groups, like girls’ group, organization skills (also known as boot camp), friendship group, and changing families group. You can come to her during your recess if you ask you teacher first. You can also make an appointment with her. She has appointment forms on her office door. Outside of school she loves to watch TV, go to movies, spend time with family, and listen to music. She has 3 different favorite colors, green red, and purple.

Mrs. Marshall has been a social worker and a barista. If she could teach a different subject, she’d teach PE. The thing she enjoys in teaching the most is getting to know kids and working with them. If she couldn’t teach at Robert Frost, she’d teach at the elementary school she went to when she was a little girl. If she couldn’t teach any subject at any school, she’d run a food bank, cast TV shows, or run a movie theater.

Mrs. Marshall thinks that the most important part of Student Council is being a good role model for other students. She is very happy that we have class representatives to take notes and report to their class what has been said at the Student Council meeting.

That is a quick summary of almost all you need to know about our school counselor.”

Lost and Found

This week the Lost and Found will be displayed on the tables in front of the Sullivan Commons. Teachers will give students a chance to look through and claim lost items. Many of these items have been unclaimed in the Lost and Found for several weeks, so this is an opportunity for kids and families to recover lost items and for the school to reclaim some storage space.

Parents, if your child is missing an item of clothing, please be sure to check this week. The items will be out all week. After lunch on Friday, items will be bagged and sent to charity.

Thanks,
Frost Student Council
