

# Holiday Dress Drive

**Help us support the Olive Crest Organization!**

**Every little girl enjoys and deserves a pretty holiday dress!**

A dress, new or used, can do wonders for her spirit, boost her self-esteem and while we know self-worth is more than a piece of clothing; let's face it... it makes a girl feel pretty!

We are hosting a Holiday Dress Drive to collect dresses, new or used, clean and in good condition, for girls who otherwise wouldn't have one to wear for the holidays. Dresses are being collected right now and will be available to those we're helping in December.

Please consider donating a (clean and in good condition) used holiday dress for this cause.

A collection bin is available for dresses to be donated. (Of course, new dresses are accepted as well. ALL dresses are appreciated)

Dresses are being collected between now and December 10th.

Thank you so much for your donation!

For more information please contact:
