

INTERNATIONAL COMMUNITY SCHOOL

Parent Parking

Parking space is very limited on the ICS campus. Parents who are campus for brief meetings during the school day are asked to park on the west side of the exit lane just past the ICS building (but not in the fire lane).

Students pay for and are assigned specific parking spaces. They are issued parking citations if they park in a space assigned to a fellow student. Students sometimes attend classes at other LWSD schools. If an assigned parking space is empty, it is reserved for the student who may be returning to campus during the school day.

To drop off your student, please:

- Enter the campus from the 111th Avenue NE entrance
- Wait your turn in the traffic pattern
- Pick up your student
- Continue on toward the exit on 112th Avenue NE
- STOP at the stop sign before entering the street
- Exit via 112th Avenue N.E.

We appreciate your support in following this parking policy. **Please do not park or drop off students:**

- In the faculty parking lot (on the east side of the exit lane, just past the ICS building,
- In the Community School parking lot (on the south side of the entrance lane),
- In the bus zone at the front of the ICS building,
- In any numbered space on the upper or lower parking lot,
- In the parking lot near the Art door (these unnumbered spaces have been paid for and are assigned to juniors), or
- Behind parked cars in the top parking lot (even after school hours).

Thank you!
