**To meet the graduation requirements for Washington state you must complete and save:**

**1.) Complete all of the following assessments that you did not complete previously.**

**Career Interest Areas**

**Interest Profiler**      ▪ A 66 question assessment that focuses on interests and identifies career paths to explore.

**Skills Assessment**      ▪ Sort occupations based on whether or not you would like to do the work activities presented.

▪ Skills help you identify occupations that match your skills. It also shows you which skills are used by each occupation.

**Work Importance Locator**

▪ Can help you learn more about your work values and decide what is important to you in a job.

**School Search**

▪ School Search lets you decide what's most important to you in selecting a school, creates a list of schools for you to explore further, and allows you to save schools to your WOIS portfolio.

**School Compare**

▪ School Compare is a tool that allows you to choose schools that may interest you and get a matrix that compares your selected schools in several different categories.

**Reality Check**

▪ After you finish school, you will need to work to pay for housing, food, clothes, transportation, etc. Find out how much money you will need and which occupation will pay for all of your needs.

**Crosswalk**

▪ Find occupations using other assessments or coding systems such as DOT, Holland or O\*Net
