

DEAR PARENTS AND HONOR SOCIETY MEMBERS,

The Honor Society Advisory Council met in October to make some decisions concerning the community service element of Honor Society. At the meeting, it was decided by all advisory council members that it is a **mandatory requirement** for our membership to participate in at least **fifteen hours** of community service of their choosing, in order to attend the end of the year field trip. Please note that the Honor Society advisors provide opportunities for community service at school. In order to document the community service, we would appreciate parental support in filling out the attached verification slip. Please check out websites on the Internet for volunteering on the Eastside too. **PLEASE DON'T LOSE THIS DOCUMENT.**
