

DEAR PARENTS AND HONOR SOCIETY MEMBERS,

The Honor Society Advisory Council met in October to make some decisions concerning the community service element of Honor Society. At the meeting, it was decided by all advisory council members that it is a **mandatory requirement** for our membership to participate in at least **fifteen hours** of community service of their choosing, in order to attend the end of the year field trip. Please note that the Honor Society advisors provide opportunities for community service at school. In order to document the community service, we would appreciate parental support in filling out the attached verification slip.

Provided below is a list of community organizations that would welcome our members' service. Please check out websites such as www.volunteermatch.com on the Internet for volunteering on the Eastside. Here is the site to find out more about the volunteer opportunities listed below in the box: www.unitedwayofkingcounty.org. The information compiled below was updated as of 11/01/08. **PLEASE DON'T LOSE THIS DOCUMENT.**
