-  **Do you have a student with Special Needs? There is an LWS D PTA especially for families with Special Needs!** We meet monthly to explore topics that relate to us in particular. On Tuesday, October 27, 2009, from 7:00 - 8:30pm, Sally Hara, Registered Dietician, medical nutrition therapist and most importantly, mom of a child with special needs, will share the top foods and combinations to avoid and will share her strategies for meal times with children who struggle with feeding challenges, ritualistic feeding habits, problems with food textures, etc. Children with behavioral challenges, those on the autistic spectrum, with ADHD and typical children often have learning and health problems that can be affected by the foods they eat. Not all food affects every child the same. If you would like to be part of the Special Needs Group private email distribution list, please contact Chairperson Beth Angelo 4bangelo3@verizon.net
-  **The Quest Elementary Program for Highly Capable Students (Grades 1-6)** will be accepting applications for the 2010-2011 school year beginning November 2, 2009, until 4 p.m. on November 30, 2009. The Elementary Quest program offers two options for students who demonstrate superior ability, who exceed grade level standards in literacy and math, and who exhibit exceptional creativity in the classroom. Full time students are enrolled in an accelerated, self-contained classroom for the full day, five days a week. Enrichment Pull-Out students attend their home school four days a week and a pull-out enrichment classroom one day a week. More information can be found in the Quest Information packet that will be available at all elementary schools, on the Quest Web site (www.lwsd.org/quest), and at the Quest Office on the third floor of the Resource Center (425-702-3238; Quest@lwsd.org). All parents interested in the Quest Program are invited to attend one of the **Quest Elementary Information Night** sessions on Thursday, November 5 from 4:30-6 p.m. or 7-8:30 p.m. at Rose Hill Junior High School (13505 NE 74th St, Redmond, WA 98052). This program will explain more specifically what Quest offers to highly capable, academically gifted children. If you plan to bring your children to the information session, we would recommend that you attend the early meeting.
