

PTSA DONATION LETTER

Dear Lakeview Families,

Welcome to another great year at Lakeview! Our role as your PTSA is to be a trusted fundraiser and volunteer organizer for our school. We strive to involve parents and children in the academic and social activities that are the fabric of your child's experience. Remember when you child told you how many laps they ran during the Marathon? Or the art project they proudly showed you at the Art Walk? Did your family dance together at the Dance Party? Or did you have the thrill of watching your child on stage, performing in the school play? All of these programs were funded and organized by the PTSA and its many active volunteers.

The Lakeview PTSA supplements our school's budget for critical academic enrichment such as our art program, new computers and software, the AR Program, Science Fair, teacher training, field trips, classroom supplies and much, much more. It's all done through your donations of money and time.

Unfortunately, school budgets don't provide near enough to cover primary learning and social activities for our children. **As a PTSA we spend over \$150 per child for academic enrichment.** This does not include all the fun social events we host. This money is directly spent to support your child's teacher, fund additional classroom supplies, and enhance the school curriculum.

The Lakeview PTSA needs your support right now. Our goal is to raise \$30,000 to fund the many terrific programs that enrich the lives of each of our children and help to make Lakeview an incredible school.

We invite you to donate and become an involved parent through the PTSA. No gift is too large or too small, it is your participation that counts.

Choose to give to the PTSA and, in return, we'll provide materials, programs and events for both you and your child to enjoy. Thanks for your help!

Mark Jensen, VP of Fundraising
