

Join the Lakeview Birthday Book Club!

Celebrate your child's birthday AND support the Lakeview library!

Joining the Birthday Book Club is a great way to create a lasting memory for your family at Lakeview and endow our library with exciting new books.

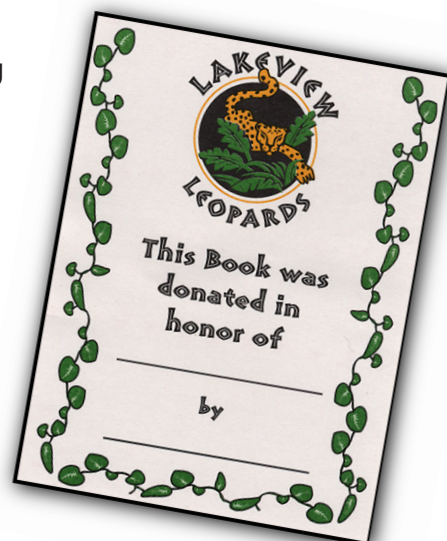

Here's how it works.

During the month of your child's birthday (or summer half-birthday), our librarian will choose a new book that matches your child's interests. A beautiful bookplate (see right) will be placed inside the cover dedicating the book in your child's honor. The book is then presented to the student in class so that he or she can be first to read it before it's returned to the library collection for all to enjoy.

Suggested donation is \$20 per child or event.

Donations will be accepted at any time throughout the year and can also be used for Christmas, graduation, teacher's gifts and other celebrations. Don't forget, the Lakeview PTSA is eligible for matching gifts which means if you work for Microsoft, Boeing or any other matching gift company, you can double the number of books donated by your family.
