

Science Fair Display Board Order Form

The Horace Mann Science Fair is a popular school wide event held in March that allows our children to explore an area of interest using the Scientific Method and to share what they have learned via a physical display. Part of their display is the Display Board (see below).

To pre-order your child's Science Fair Display Board this year, fill out the information below and return to your child's teacher or the school office by **Wednesday, February 25th**. Once the boards arrive, they will be sent home with the child designated on the form. Any questions call Lynn Detweiler (881-9696).

Child's Name: _____

Teacher: _____

Grade: _____
