RE: BICYCLE RIDERS/IN-LINE SKATERS AND PARENT PERMISSION

Fourth, fifth and sixth grade students are permitted to ride bikes to school. They are required to wear helmets. First, second and third grade students are asked to keep their bicycles at home. Below is a permission slip for you to complete a sign. Your child needs to return the slip to the school office. No skateboards, skates or scooters allowed.

Although we try to minimize the risk, the school would like parents to be aware that neither the school nor the Lake Washington School District can take the responsibility for lost, stolen or vandalized bicycles, either while on school property or while enroute to and from school. We have a bike rack and encourage students to always lock their bicycles .

Thank you for your support and cooperation.
