

Join the Rockwell PTA! (Parent Teacher Association)

**Norman Rockwell
BEAGLES**

What is the PTA?

PTA is a partnership of parents, teachers and community members with a mission to be effective advocates for the health, welfare, safety, spirit and education of our children.

What does the PTA do?

We organize to make Rockwell a better place for our children by providing support for many programs such as: Salmon in the Classroom, grade level grants for educational enrichment, Math in Action, art docents, local author visits, the annual yearbook and the weekly Beagle Bugle newsletter.

Why should I join the PTA?

Without the PTA many of the programs we support would not exist. In addition to providing funding, your membership dues help *pay for insurance coverage* which allows us to run these programs. By joining you also have a voice in the programs being supported.

Who can join?

As a parent or guardian of a student enrolled at Norman Rockwell – YOU CAN! In addition, grandparents, aunts, uncles, neighbors (without or with grown children), and teachers can join.
