

**WANIC Skill Center
Barrier-Reduction Fund Application Summer 2017**

The barrier reduction program is for the purpose of providing assistance (when funds are available) to eliminate a financial barrier that would inhibit a student's success in an educational program. Barrier Funds may be used to pay for class fee, bus passes, food handler's permit, program specific kits, and other approved expenses. Barrier funds may not be used for expenses that are not required for attendance/participation in a WANIC program. *A student qualifies for barrier fund support if they are eligible for the Free/Reduced Lunch program at their school and plan on completing WANIC Summer Skills Academy.*
