

Lake Washington School District School Annual Report

Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society.

Bell Elementary

11212 N.E.. 112th, Kirkland, WA 98033 (425) 822-7450

School Mission

All students will meet or exceed district and state standards.

Mascot: Bulldog

Colors: Green, Gold

Website: www.lwsd.org/bell

Curtis Anderson, Principal

A.G. Bell is a wonderful K-6 school, located in the Totem Lake area of North Kirkland. Celebrating our 42^h year, A.G. Bell possesses a rich heritage of diversity, student success and school-to-home partnerships. Nearly 20 percent of our students are non-native English learners with over 20 countries represented in our student population. It's amazing to watch how quickly these students demonstrate proficiency in reading and writing the English language.

Understanding that our students are more than the sum of various test scores, Bell staff continues to implement the Bell Peace Prize. Students are recognized for demonstrating good character (kindness, respect, caring, initiative and peaceful problem solving). Throughout the year, hundreds of students are recognized at our Peace Prize Assemblies. Laughter, recognition of student successes and community building are all part of these assemblies, thus providing a boost to morale and focus throughout the year.

A.G. Bell's PTSA continues to support a school culture that welcomes family participation and involvement. One such program is our art enrichment plan, which provides specific lessons to each child in the school and encourages students to participate in our PTSA Reflections project. A.G. Bell is a great place for kids and families.

Year in Review – 2008-2009

School Improvement Plan

The A.G. Bell staff believes that working together is the key to providing all students with a quality education. Every Wednesday afternoon, teachers utilize common planning time provided by our LEAP (Learning Enhancement and Academic Planning) calendar to plan and align curriculum, participate in staff development opportunities and provide vital input into our many programs and activities.

Our School Improvement Plan includes goals in reading, writing, math, science, technology and school climate. Goals in each area are guided by state standards, school district curriculum and current assessment information. Each member of our teaching staff works on one or more of our curriculum committees, focusing their efforts on improving student learning. Work in these committees allows our staff to assimilate changes in district curriculum and focus areas while keeping our Leadership Team apprised of professional development needs.

This year we plan to continue our efforts in developing a “math culture” at A.G. Bell. Our vision continues to be preparing students to be confident and competent mathematical thinkers. We have made good progress – providing focused staff development in math, facilitating family math nights and starting a Math Olympiad program. This year we will also offer multiple math club opportunities for students after school. Math is gaining momentum at A.G. Bell!

I-728

Initiative 728 was designed to improve public education and lead to higher academic achievement for all students. This funding is critical to help kids get off to a good start as well as to support those who are struggling. In this sixth year of I-728 funding, Lake Washington School District (LWSD) continued to focus on four areas:

The early childhood program, which funds preschool classrooms staffed by highly trained teachers, so more children come to school prepared to learn.

Kindergarten and first-grade class sizes, which are kept at an average of 19 so children get more teacher attention in those critical early years.

Summer and school-year programs to work with students who are struggling to meet academic standards.

The award-winning New Teacher Support Program, which helps new teachers succeed from the start, and additional professional development so teachers are always finding more ways to help students learn.

No Child Left Behind Report

The “No Child Left Behind” Act of 2001 (NCLB) outlines requirements that K-12 schools must meet. LWSD met the standard for Adequate Yearly Progress (AYP) in 49 of 59 subgroups under NCLB. In most of the 49 areas, students scored significantly above the requirements. The areas of concern for the district include special education, Hispanic students and low-income students. No school district in the state of Washington with over 10,000 students made AYP, including this district. This school did make AYP for this year. NCLB requires all public schools and school districts to publish “report cards” that contain specific information highlighting their schools’ progress, including the results of the Washington Assessment of Learning (WASL). Visit <http://reportcard.ospi.k12.wa.us> to view this data plus the WASL scores broken out by eight subgroups.

Bell Elementary – Assessment

Washington Assessment of Student Learning (WASL)

	Reading		Mathematics		Writing		Science	
	07-08	08-09	07-08	08-09	07-08	08-09	07-08	08-09
3rd Grade	79	71	78	70	*	*	*	*
District	86	86	84	82	*	*	*	*
State	70	71	68	66	*	*	*	*
4th Grade	72	68	61	59	81	75	*	*
District	85	87	70	74	82	80	*	*
State	72	74	53	52	62	60	*	*
5th Grade	86	84	80	82	*	*	66	58
District	89	89	81	81	*	*	72	69
State	75	74	61	62	*	*	43	45
6th Grade	78	86	63	64	*	*	*	*
District	82	86	71	76	*	*	*	*
State	69	72	49	51	*	*	*	*

The WASL is a standards-based test that measures how well students apply knowledge and skills in reading, mathematics, writing, and science. Scores represent percentage of students at standard in each area.
 * not tested | 3rd Grade does not test Writing and Science, 4th Grade does not test Science, 5th Grade does not test Writing, 6th Grade does not test Writing and Science

District Budget Summary

District Per Pupil Expenditure

\$8,671 per pupil including I-728

General Fund Budget

\$218 million

Direct Classroom Support 80.3%

- Teachers
- Instructional Assistants
- Teaching Supplies
- Counselors

Attendance 95.8%

Capital Projects Levy Activities

Facilities: Provided soccer goals at all weather field. Installed 2" seismic gas valve. Added solar film to second story windows. Installed new fire sprinkler gauges and shut-off valves.

Technology: Computer allocations were maintained at the district standard. New equipment continued to replace old on a standardized basis. Interactive whiteboards and projection systems have been installed in every classroom. Training continued on integrating technology into subject areas and using technology to increase student engagement. Software enhancements, network upgrades and new technologies to support student learning were available

Use of Maintenance and Operations Levy

Assist schools in helping all students reach academic standards; offer ongoing teacher training; purchase textbooks and classroom materials; provide additional staff for instruction and supervision; and support extracurricular athletics and activities.
