Resisting Raising Children Who Feel Entitled

With Jan Faull, M.Ed.

Parents serve their children well when they prevent children from taking on an attitude of entitlement.

Join us for an enlightening evening of information

- Learn about teaching our kids the difference between *having* and *needing*
- Learn about how to teach big values (discipline, goal setting and hard work)
- How to encourage our children to be less self-centered, more generous and humble.
- How to build character

Questions: Concha Lapuente, School Counselor at 425-822-4517 clapuente@lwsd.org
