\*Supplies may be brought into the classroom at Meet & Greet or on the first day of school.

Please label supplies with your name.

### Art Champion

We would like to create some special art projects that integrate with the curriculum. A few of these projects turn out much more spectacular when using a particular brand of color pencils, Prismacolor *Premier*. These pencils are expensive when buying them individually so they are not on the required supply list. If you would like to donate a set to the class, we would appreciate it greatly. We would like at least six sets for our classroom. We need the 24 count and they must be the Premier type. You can find these at Michael's, office stores such as Office Depot, art stores... Thanks.
