Please label pencil box, scissors and calculator with your first and last name, in a permanent fashion. Please do not bring white-out, novelty desk top organizers, toys, or items that cannot be stored in your cubby or pencil pouch. Unscented materials only, please.

During the Fall term, students will focus extensively on organizational habits and study skills. To this end, we will be using a folder for each subject area instead of a binder containing all subjects. In January, students who have mastered subject organization, will be allowed to use a binder if they so choose.

Be sure to bring: 📖 a book, 🍌 a snack, and 😊 a big smile!
