

2010 - 2011 REFLECTIONS ARTS RECOGNITION PROGRAM

Fall Theme: TOGETHER WE CAN

Deadline: Friday, Oct. 22nd; 3:00 P.M.

Does your child like to express him or herself creatively through the arts – *Literature, Photography, Visual Arts, Dance, Music Composition, or Film Production*? The National PTA sponsors a national arts program to give your child an opportunity to use his/her creative talents. It's part of your local PTSA, and it's FREE.

Students are given the opportunity to create an original art piece that interprets a specific theme. This year, the theme is “**Together We Can**”. Professional judges are chosen for each category to select the Finalists for advancement to the district level competition. The competition continues from the school district to the state level to the national level.
