Kindergarten Registration

All Lake Washington Schools will host kindergarten registration this coming Thursday, February 2nd from 1:00-7:00 PM. Our registration will be held in our school library. Please let friends and neighbors know this is the first day of registration or half-day kindergarten and full day. We will hold a lottery the following week for all day. Families registering need to bring proof of residency, birth certificate and immunization records.

PTSA International Night

I hope you will make it to our International Night on Thursday, February 9th. It is one of our most popular PTSA functions. We're going to have passports for everyone to visit several countries sponsored by our own Rachel Carson Families. The event starts at 6:00 PM. Please park at Inglewood Junior High.

Report Cards/Conferences

Next week, we will hold our second student/teacher/parent conferences. Starting **Tuesday**, January 31st, **Thursday**, February 1st and **Friday**, February 2nd students will be dismissed at 11:30 AM. Wednesday is our "normal" early release at 1:30. Monday, January 30th is a regular day, dismissal at 3:00 PM. I know it's a weird schedule. If for some reason you need to cancel or change your conference time, please be sure to call the office so we can notify the teacher. Report cards will be sent home with students on Monday.

After School Classes

You can now register for after school classes on the PTSA web site. Mrs. Luce and Mrs. Coley will again be leading "Explorations in Math" on Tuesday's. This time they will dig deeper into Geometry. If your child enjoys playing math games and wants to have fun, this is a great opportunity for them. We will have a class for children in Grades 1-2 and Grades 3-5. Be aware, the registration **closes February 5th**. No registrations will be accepted for any class after that time.

Popcorn Friday

We continue to sell popcorn every Friday for fifty cents. All students can purchase popcorn through their classroom teacher. Student Council representatives deliver the popcorn in the morning. Funds raised from the sale of popcorn purchase our recess equipment.

Snow Make Up Days

I still have not heard from the district as to when we will have our snow make up day(s). As soon as we hear, I will let you know.
