

## Evergreen Sports Scholarships:

Our goal at Evergreen is for every student to have the opportunity to participate in athletics. With this in mind, we are able to offer sport scholarships (covering a portion of the "participation fee") to students whose families may be experiencing financial hardships. Since scholarship money is limited, we ask that families contribute \$30 per athlete for each sport season. Upon receiving a scholarship, the athlete is committing to all eligibility requirements (i.e. - grades, commitment to the team, etc). Our Principal will review and evaluate all scholarship request forms for approval.

Fill out **(please print)** the information below and return to: **ATTN: Leslie Lewis (main office)**. You will be contacted as soon as possible to discuss the best arrangement for you and your student.

## Expectations:

All students on scholarships are expected to meet the Jr. High Athletic Policy Requirements while participating on their scholarship including:

- Student must participate throughout the season and must attend all practices and games.
- Student must stay academically eligible throughout the season (a 2.0 grade point average and no "F's").

In the event that the athlete does not complete the season due to an unexcused reason, the family will be responsible for paying the \$75 difference between the regular sports fee (\$105) and the family contribution (\$30).
