

BE A VOLUNTEER!

Volunteering is a great way to make a big difference at our school. It can be anything from a daily or weekly commitment to just once a year. We truly appreciate the time that you are willing to give, and thank you for sharing your busy lives with the wonderful students at Finn Hill Junior High.

Please look over the following activities and see if there is one or two that might interest you. Also, by giving us your name and e-mail we can contact you when additional volunteer opportunities arise - you can then decide if you have the time or interest in the volunteer opportunity.

Detailed explanations of each opportunity are on the reverse side of this page.
