

Leadership Grading Policy

20% - **In Class Assignments/ Homework/ Committee Work**

20% - **Journals** – Journals are used to reflect on the previous week and are due on Monday of the following week. Late journals turned in the next day will lose 2 points. Beyond the next day the best that you will be able to receive is half credit.

35% - **Weekly Grades** – these are based on the level 4 system. I will keep a daily log of your effort in leadership class. You will also self-assess your effort. These grades will be totaled at the end of the quarter and factored into your final grade.

10% - **Minimum requirements for an A** – This is all or nothing. Either you meet all of the minimum requirements for an A and get full credit in this category or you miss at least one and get a zero for this category. In essence, you fail to meet one requirement and the best grade you can receive is a B+. See attached sheet.

15% - **Individual Project** – each of you are in charge of making Inglewood a better place. Just because it is an individual project does not mean you can't have help from other students in achieving your goal. This must be finished before the last week of the semester. See individual project packet.
