ALSO: On the Library Home Page click the Catalog tab, and search your topic. Just type in the subject, and click the Subject or Keyword button. Scroll to see if there are WebPath Express links to even more great websites!

The screenshot shows the Kirkland Junior High Library website interface. At the top, there is a navigation bar with 'Home' and 'Catalog' tabs. Below this is a search bar and a breadcrumb trail: 'Library Search > Search Results > Browse Search > Heading Browse Results'. The main content area displays search results for 'Titles with subject "Criminals" in Kirkland Junior High'. It shows three results: 'Hole in my life' by Jack Gantos (2002), 'WebPath Express Results on "Criminals"' by Follett Software Company, and 'Steam detectives Vol. 2' by Asamiya, Kia (1963). The 'WebPath Express Results' entry is circled in red. The interface includes a sidebar with 'Library Search' options and a right-hand side with 'Printable', 'My List', and 'Add Page' buttons.
