

Courtyard under Construction

We're excited to be in the progress of building two stone path shortcuts through the 2nd/3rd grade courtyard with room for plants in the spring.

Donations of 10 bags of sand still needed.

To donate and volunteer to help complete this project call Bobbi Ostrum: 425-956-3402 or email bostrum@marykay.com

Greenhouse Clean up Continues

Peter Kirk's Greenhouse has been sprayed, scrubbed, patched and debugged.

It's ready for winter. Now we can add amenities to make the greenhouse warmer, brighter and more "green."

Here's our wish list:

- 2 - 12 foot gutters for rain collection
- White garden rocks
- 3 or 4 mostly clean 30 gallon steel drums - dark color Rain barrel
- Compost bin
- White paint - glossy for bathrooms
- Composite wood such as Trex decking - for raised beds
- A solar powered fan

Search your backyard, your garage, your neighbor's garage and bring it in!
