Dear Parent,

We wanted to provide you with some information on PACE, one of our ongoing fundraising opportunities. As a PACE member, you save 20% at hundreds of local participating restaurants and our school earns 5% on every purchase you make.

Peter Kirk has raised more than \$8,000 over the last two years with PACE and many of our parents saved hundreds of dollars throughout the year. Believe it or not, our neighbor school in Kirkland, Lakeview Elementary, earns about \$8,000 each year! If you're new to PACE, the fundraiser couldn't be easier. There are no order forms to track, funds to collect, or door-to-door sales.

However, you do need to register!

With 400 participating businesses, don't pass up this opportunity to save hundreds of dollars while helping Peter Kirk raise thousands:
