

Letter from Principal Rothaus

September 6, 2011

Greetings Lakeview Families:

It is with great pleasure that I welcome all families to the 2011-2012 school year at Lakeview Elementary! I hope you have enjoyed a memorable summer and are ready to begin another year of **LEARNING!**

How quickly summer concludes and our thoughts turn to eagerly preparing for the commencement of another school year. This is one of my favorite times of the year. I look forward to the excitement of beginning the new school year and the opportunity to greet returning Lakeview students and families, as well as those new to our community!!!

I encourage you to partner with us in the education of the children of Lakeview Elementary School. One strong aspect of highly effective schools is the degree to which parents participate and support the school! As you plan your schedule for the upcoming year, we encourage each family to consider supporting our school by volunteering at Lakeview. My challenge to you is for each parent to provide 10 hours of volunteer support to our school - **YOU** make the difference! We invite you to share your many talents and time with us. You can let us know your interest by communicating with your child's teacher, contacting our wonderful PTSA, or emailing me directly at srothaus@lwsd.org. Your time is an asset to us and our students benefit greatly from any time you can provide!

Furthermore, we ask that you join the Lakeview PTSA. Through the work of these strongly committed parents, staff and students, our school has flourished. Your membership is a testament of your support to the partnership that we celebrate each day at Lakeview!

Our first event of the new school year will be our School BBQ on September 13th. Curriculum Night follows on September 15th. Please look for more information pertaining to the details in future communications.

The staff and I look forward to working with you this year at Lakeview. We are proud of our school and celebrate the partnership we share with our families.

I hope to see you at the BBQ on September 13th!
