

## Traffic Safety at Lakeview! Effective January 19, 2010

After thoughtful consideration and input from a committee of parents and the district, some changes are being made to the drop off/pick up off 68<sup>th</sup> Street. These changes are being made to promote a safer, calmer environment for students, parents and staff. Procedures will remain the same for the bus chute and the drop off/pick up off State Street.

### Important!

- For **A FASTER DROP OFF/PICK UP AND A VISUAL OF YOUR CHILD WALKING TO THE PLAYGROUND** try the State Street drop off/pick up.
- **Walk** with your child to school whenever possible.
- If you need to **assist your child in/out of the car**, the State Street drop off/pick up may be the best choice.
- The **lot behind the gym will be closed** to all traffic except for staff during peak times from: 8:40-9:05 and 3:15-3:40. **There will be no student drop off/pick up in this area.**
- **District employees will be supervising** the drop off/pick up area off 68<sup>th</sup> Street. Please help them by following the procedures and responding when they direct you.

### Drop off/pick up area off 68<sup>th</sup> Street!

- Vehicles enter the lot off of 68<sup>th</sup> Street and drive around the circle to the drop off /pick up area.
- The drop off /pick up area will start in front of the gym. (There will be ***no parallel parking spots in front of the gym.***)
- Vehicles move to the curb.
- Students enter and exit on the curb side only.
- The drop off/pick up is designed to be a very quick process so think of the airport drop off. Pull in! Drop off/ pick up! Merge!
- There will be two lanes of traffic only: one for through traffic and one at the curb for drop off/pick up.

**Thank you for your help!**
