

Join the Lakeview
Birthday Book Club!

Celebrate your child's birthday (or any special occasion) with a lasting memory at Lakeview!

Joining the Birthday Book Club is a great way to create a lasting memory for your family at Lakeview and endow our library with exciting new books.

Here's how it works...

Prior to the your child's birthday, summer half-birthday, or other special occasion, parents complete this form and return it to the Mrs. Jensen, Lakeview Librarian, along with a suggested donation to the PTSA of \$20. During the month of their birthday, the student will select a new book from the selections in the birthday book club display in the library. A bookplate dedicating the book in your child's honor will be placed inside the front cover. The book is then presented to the student in class so that he or she can be first to read it before it's returned to the library collection for all to enjoy.

The Birthday Book Club suggested donation is \$20 per child or event. BBC donations will gladly be accepted at any time throughout the year, and can also be used to commemorate graduation, memorials, teacher's gifts and other celebrations. Lakeview PTSA is eligible for "matching gifts" by many area companies, Microsoft and Boeing among them.
