

Letter from the PTSA President & Vice President

September 2011

Dear Lakeview Families,

Welcome (back) to Lakeview! We hope you all had a great summer and are ready for an exciting new school year.

We are fortunate to have a great group of teachers and staff dedicated to guiding our children through their elementary school experience, and a hardworking team of PSTA volunteers who are dedicated to doing the best for our children.

We'd like to extend a huge THANK YOU for all the tremendous support provided during the past school year. Our parents volunteered in the classroom, maintained our website, printed our student directory, created our yearbook, wrote our newsletter & calendar, produced the school play, held Family Dance Night, Carnival, Art Walk, and Science Fair, organized after school enrichment programs, and so much more. There are many places where you can see evidence of the hard work the PTSA parent volunteers do to make Lakeview a great place for all our children. It takes many volunteers to make these programs a success, and we would love your help! We encourage and invite you to become more involved in the Lakeview community by joining PTSA. It's also a wonderful, open forum for meeting other families.

With state budget cuts to education, your involvement in the PTSA is more important than ever. Please come to our first PTSA meeting during Curriculum Night on 9/15. We'd love to see you, and we welcome and encourage new ideas and suggestions!

You can find more information about the Lakeview PTSA at <http://www.lwsd.org/school/lakeview/PTSA>.

Please remember to drive slowly around schools to ensure our children's safety at all times.
