Attending: See sign up sheet

Handouts:

- Agenda
- Meeting minutes from general meeting January 29, 2009
- Financial statement as of March 2009

Meeting minutes were accepted as written without additions or corrections.

Financial update – March statement was discussed; Sarah noted that we will meet our financial obligations.

School Play – There were 39 participants and 5 scholarships. The costs were \$7,420 & income was \$6,860; it was a 6 week/48 hour time commitment. KPC/Studio East's fees increased by \$1000 this year, so next year's chair should look at other locations such as LWHS or Evergreen Family Theater. We could also look into have sponsors (who would be recognized in the program) to offset some of the costs, since we are Studio East's flagship school and they were helpful. We may also need to increase the ticket prices and entry fees next year.

Nominating Committee – the committee presented the slate and it was voted in.

Computer update – 22 computers were identified from shared spaces and classrooms that will be used in the computer lab next year, based on input from teachers and staff. The District will help re-distribute those computers, and Linda will put a list of FAQ's and information in the next newsletter.

New Business - interest was gauged to see if the membership agreed with a draft proposal from the district that the PTSA can donate funds for instructional support during school hours to allow for equity of education. The majority felt it was a good idea, so Sarah Stone will follow up.

Marathon – the marathon is in it's 3rd year now; they had 43 participants the 1st year, 116 the 2nd year, and many more this year, so Nancy Knight will need volunteers to help punch cards for the runners through June 3rd. She will have a sign up sheet in the gym.

Miscellaneous – an opinion form regarding preferences for upcoming fundraising ideas for next year was filled in by attendees.

7:50 pm - Meeting was adjourned.
