Financial update – May statement was discussed; Eileen noted that we will know what our surplus funds are by the end of June.

District Budget Impacts – Linda discussed the current budget cuts and what they mean to Lakeview, and she offered to provide a detailed review if a parent wants it. Most notable are the proposed I-728 cuts - Dr. Kimball asked for input on what people wanted for Lake Washington, and after the input the priorities that emerged were: protect class size, keep good teachers, support struggling students and provide teacher training. So for our district, there will be no class size impacts, no teacher layoffs, and safety net, pre-school and teacher training will remain.
