GENERAL RULES:

Theme: Only new pieces of artwork inspired by the theme are acceptable.

Artwork: All artwork must be the original work of ONE student only. An adult may not alter student's work or its creative integrity.

Eligibility: Students must participate in the Reflections Program through a PTA/PTSA in good standing.

Grade Divisions: Students must enter the Reflections Program in the appropriate grade or age division as indicated on the entry form.

Children With Disabilities: There is no special division for children with disabilities. Each local unit and council may establish guidelines for placing a child's artwork in the grade/age division that best matches the child's developmental age. Direct additional questions to the Reflections Chair at your school.

Number of Entries: Each local unit and council may limit the number of entries a student may submit. Direct additional questions to the Reflections Chair at your school.

Judging: All entries are judged on artistic merit, creativity, and interpretation of the theme.

Return of Artwork: Visual Arts and Photography entries will be returned to students. Literature, Dance Choreography, Music Composition and Film Production entries are not returned – please keep a copy.

Copyrighted Material: Use of copyrighted material is prohibited, including cartoon characters and other such material.

Plagiarism: Plagiarism is defined as taking and using another person's ideas, writings or inventions as one's own. Plagiarized entries will be disqualified.

Entry Form: All entries require a completed entry form signed by the entrant and parent/guardian, unless entrant is 18 years or older. Entry form must be on WHITE paper and completely filled out. Write legibly with BLACK or BLUE ink only. Use only WSPTA approved entry form (available at www.wastatepta.org/Programs/Reflections or from your local PTA).

Parent/Guardian Consent Form: All entries require a completed and signed Parent/Guardian Consent form for EACH person under the age of 18 years who appears, performs, or whose name appears in a Reflections entry, whether or not that person is the entrant. Consent form must be on WHITE paper.

MUSICAL COMPOSITION:

Acceptable forms of composition: Voice, instruments, or a combination of voice and instruments, not to exceed 5 minutes in length. Lyrics may or may not be included in vocal compositions. Use of composition software is permitted. Students are strongly discouraged from submitting highly edited MIDI sequences or audio files. Submitted recording must capture performers in real-time. Use of notation software for the purposes of creating scores and printed parts is permitted. Appropriate instrumentation and voicing are required for the performance.
