### March

Responsibility

### April

Flexibility

### May

Perseverance

### June

Initiative

*At John Muir Elementary we encourage staff members to acknowledge students demonstrating any of the Life Skills with a JME Pride Award. Pride Awards can be given to students for any of the ten Life Skills we practice at JME and not just the focus skill of each month. Please remember to have students bring the tear off end of the Pride Award to the office and place it in the grade level bucket. Each week we will draw one name from the Pride Award Buckets for each grade level and announce their name on the Friday morning announcements. They will have their picture posted on our JME Life Skills Bulletin board in the first courtyard. Thank you for your efforts to help encourage behaving the **JME Way!***
