

EMAIL REQUEST

Northstar has a wonderful website that you will find most helpful. A parent volunteer webmaster updates the information on a regular basis. Log in is www.lwsd.org/nsjh.

We also maintain an email list for communication. Most news is sent home via email since backpack mail is not always reliable.

Please complete this form **ONLY IF** you are not already receiving email from Northstar. This is really important in that we use email as our primary communication tool.

Add the following to the Northstar Email Distribution List (list all email addresses in the family that wish to receive a copy of the announcements and other periodic emails).
