

Northstar Junior High School

FAMILY VOLUNTEER HOURS RECORD

This form will be collected by the volunteer coordinator in January and again in June to record each family's contribution to the Northstar community. You may include in quarter-hour increments time spent at Northstar steering committee meetings and school activities. Student conferences are not included as volunteer time. Minimum commitment is 30 hours per year. Two parent families and families with more than one student enrolled may consider making a larger commitment. Contact the school secretary to get additional sheets if needed.
