

## NAC Meeting

**January 9, 2007**

Meeting called to order at 7:06 pm

### **Orchids:**

**Conference week coordinators:** Lots of good activities coming together

**Head Teacher's Report:** Students preparing for conference week activities and field trip to Museum of Flight, the Bodies trip has been rescheduled for February. Projects are wrapping up this week and preparations are being made for next semester class choices. Bob won a grant for next semester's "Bring out the Dead" class and has gotten his book list approved by the district. The 9 new laptops have arrived and have been configured for our system. We now have a full complement of 30.

**Treasurers Report:** Family contributions are still trickling in, very few that have not yet paid. Matching contributions are starting to arrive. Field trip funds are out of balance since the Bodies trip was postponed. A former parent made a donation of \$2000 to the school for the Ian Hughes Book Fund. These are restricted funds that must be spent in accordance with the donor's wishes. We should finish the year with revenues exceeding budget.

**Conference Week:** January 24-26. They have the schedule set now. Still have a few openings for help. Boeing Everett plant trip needs 2 more parents (Jan 24, 8am-12pm), need another parent to help Vince with dodge ball, also on the 24<sup>th</sup>, 8-9 am, and need one more helper for Thursday, 11 am -12 pm to assist with ceramics.

**Community Building:** Getting ready for the Valentine's Day dance on Feb 9<sup>th</sup> 7-9 pm. We were low on chaperones for the Halloween dance, need parents to sign up for this next dance.

Video Game Club will continue meeting after the mid-winter break, on Wednesdays. The purpose is to encourage more social gaming.

Inglemoor High School IB (Intercollegiate Baccalaureate) program will be presenting an information night January 18<sup>th</sup>. If you are interested you need to get started soon since it is an out of district program.

Tomorrow night ( Wednesday 1/10), 7:30-8:30 pm, is the Choice School Fair at the district offices. Come help if you wish.

Passports will be needed to go to Canada this spring. It is important to get them as soon as possible for students as well as parent chaperones.

Northstar Open Houses January 16<sup>th</sup> and February 6<sup>th</sup>, will need parents to come to talk to prospective parents. Get the word out to any who may be interested in attending Northstar.

Meeting was adjourned at 7:37 pm.
