

Spring is in full motion at After Hours, and most of the activities will be geared towards celebrating spring, and being outdoors. If your student is interested in being involved in the community the Redmond Youth Partnership Advisory Committee offers tons of service projects locally for your student to be involved in. See below for more details. If you have questions or ideas please email us at [afterhours@redmond.gov](mailto:afterhours@redmond.gov), or talk to us via phone 425.556.2358.
