Rose Hill Junior High
PTSA
everychild.onevoice.

Rose Hill Junior High families and friends,

Does your company offer matching gifts? Many companies make matching contributions to charitable organizations based on employee financial donations and/or volunteer hours. This is a great way you can help Rose Hill Junior High PTSA raise additional money!

How? Check with your employer's benefits department to determine if they offer a matching gift program and what the procedures are.

Questions to ask include:

- Does the PTSA qualify? We are a 501 3(c) organization.
- Do you need to be a full-time, part-time, or retired employee to qualify?
- Will they match financial contribution or volunteer hours?
- What is the minimum required donation?
- Please obtain matching gift applications from your employer and turn it in with your donation to RHJH PTSA.

Your portion of the cash donation to Rose Hill Junior High PTSA is tax-deductible.

Do you know a relative or friend that works for one of these companies? Consider asking them to support Rose Hill Junior High PTSA!
