

PTSA - School Directory

The PTSA publishes a complimentary directory for all PTSA members. It contains a staff directory, bell schedules, staff schedules, a listing of PTSA Executives, ASB Officers, and students names and phone numbers.

All students' names and no phone numbers will be listed as they appear on school records, regardless of membership in PTSA. To request a change from the information listed on the school records, please return this form by September 25, 2009 to the school's main office or mail to: Rose Hill Junior High – Attn: PTSA School Directory, 13505 NE 75th Street, Redmond, WA 98052.
