

ROSE HILL JUNIOR HIGH EMERGENCY PREPAREDNESS

Dear Seventh Grade Parents,

Welcome to Rose Hill Junior High. Our PTSA is preparing for another school year with emergency preparedness in mind. According to the Emergency Management Division of the Washington Military Department, communities throughout the Pacific Northwest are subject to a number of potential natural disasters, such as earthquakes, fires, floods, sever storms, etc. While we hope such occurrences never happen, it has been shown time and time again that being prepared for disasters is prudent.

Rose Hill Junior High is prepared for a disaster, and every year we continue to gather more supplies and replace expired inventory. With the money we collect and money from the PTSA, we will be able to purchase many items to even better prepare our school in the event of an emergency.

We are asking all 7th grade families to donate a one time \$5.00 contribution toward emergency preparedness. Please make checks out to RHJH PTSA. Please return your check with your other PTSA forms by September 25th, 2009.

Thank you for your help.
