Benefits for students taking the PSAT:

The PSAT encourages students to start planning for life after high school. The score report gives students personalized and comprehensive feedback on their test performance, including suggestions on how to improve specific academic skills.

Students receive "My College QuickStart™", a free personalized college planning kit based on their test results, with access until they graduate high school. It includes a customized SAT study plan with complete practice test, personalized list of colleges, based on the student's location and preferred major, personalized lists of majors and careers and access to MyRoad™, an interactive majors, college, and career exploration program.

On average, students who take the PSAT/NMSQT earn higher scores on the SAT than those who do not.

By taking the test, juniors may be eligible to enter National Merit Scholarship Corporation's scholarship competitions, as well as programs that give special recognition to high-achieving Hispanic and African American students. (Especially important for juniors).

Student Search Service™ gives PSAT/NMSQT takers the option to receive free admission and financial aid information from colleges, universities, and scholarship programs.

The PSAT/NMSQT assesses critical reading, mathematics and writing skills that are important for success in college. The program promotes earlier and more expansive inclusion of students to increase their college-going aspirations while there is still time for students to effectively plan and prepare. (Especially important for sophomores).

- ❖ **Remember- The PSAT will be given only one time, Wednesday, October 14, 2009. The test fee is \$15.00.
