Lake Washington School District Risk Management Department

The Lake Washington School District does not screen the employers who advertise jobs posted in the College & Career Center. Additionally, the District does not guarantee the safe environment of the students who may apply for and/or gain employment from employers who advertise in the College & Career Center. Students should consult with their parent or guardian and be aware of the risks before applying for the jobs advertised.

Employers may hire students under the age of 18 if work rules, permits and conditions for working minors are followed according to guidelines by Washington State Department of Labor and Industries. A maximum hour for students age 16-17 is 20 hours during a school week and age 14-15 is 16 hours a week.
