

Sophomore Honors Program: Enrollment Information

Any student who wishes to enroll in **World Studies** and/or **Honors Bio/Chemistry** must complete the application. Students are admitted into sophomore honors programs on a space-available basis.

1. During pre-registration, 9th graders will be instructed to write “World Studies” and/or “Honors Bio/Chem” on their registration form. Student will also receive course codes from counselors (or can request codes from a counselor) so that they can register for these programs online.

_____ credit check complete

_____ courses/alternates complete

2. After registration ends, we will generate a list of students requesting honors classes that we will use to send application information and materials in the spring.

There are three application components:

- Written form with signatures
- Academic history check
- Assessments: written and item analysis

Approximate Timeline:

- ✍ *Late February/Early March:* registration ends; lists of students requesting World Studies and Honors Bio/Chem are generated.
- ✍ *Mid/Late March:* applications available; application information mailed.
- ✍ *April:* assessments administered; multiple dates offered.
- ✍ *Late April/Early May:* applications due.
- ✍ *Mid/Late May:* notifications mailed.
